Tentang Perusahaan

Jungle Padel Ubud will be the 1st Padel Club opening in Ubud next August 2023. With its 4 courts, a bar/restaurant, a pro shop and other facilities it will be the first specialized Padel club in the area.

Padel is a sport which combines action with fun and social interaction. It's a great sport for players of all ages and skills, as it is both quick and easy to pick up. Most players get the basics within the first half an hour of playing so that they can enjoy the game.

Padel is not as dominated by strength, technique and serve as it happens in Tennis and therefore is an ideal game for men, women and youth to compete together. An important skill is match-craft, as points are won rather by strategy than by sheer strength and power.

We're looking for enthusiastic people that can join our Team in a sportive, active and friendly environment!
