Lowongan Kerja Recruiter (Private Traffic Agent) 2023 Jakarta Raya

Description

Deskripsi Pekerjaan

PT Dalligent Solusi Indonesia (www.kupu.id) – member of Sinarmas, is an AI-based platform that adapts the skills and interests of job seekers to the needs of employers. We're currently looking for experienced candidates to be part of our team as a Recruiter (Private Traffic agent).

Job Description:

- Maintain good relationships through fast and massive communication with job providers and job seekers via WhatsApp.
- Helping job providers to find, hire, and retain quality candidates.
- Helping job seekers to get suitable job opportunities by finding and recommending job opportunities to them.
- Foster high-touch relationships using a database of qualified candidates to choose from when positions become open.
- Design, refine, and implement innovative job recommendation templates.
- Maintain database of candidate records, including active and passive prospects, hired and fired employees, and other designations.

Job Requirements:

- Bachelor's degree (or equivalent) in any discipline with a minimum of 2 years of experience in online customer service or 1 year of experience in recruitment or human resources.
- Cheerful personality, strong expressive ability, high emotional intelligence, a strong sense of responsibility, and dedication.
- Have the ability to screen and filter job seekers' resumes and CVs and manage job candidates.
- Desire to grow professionally with networking and ongoing training opportunities.
- Proactive and independent with the ability to take initiative.
- Above average interpersonal skills, excellent teamwork, and cooperation skills.
- Have the ability to screen and filter job seekers' resumes and CVs and manage job candidates.
- Good in basic data analysis and can accept weekend shifts.
